Summary

7 years of experience in Customer Relation Management, data analyst, Business Process Outsourcing (BPO).

Studied Economics with cross-functional skills in Project Management, Business process (Lean six sigma).

Passionate about sales, marketing, communications and public relations. I am looking forward to turn my passion into a career.

Diploma in Business communication, currently in progress.

Actually work as a freelancer. I produce copywriting videos, photos and print production, create web content and develop website utilizing WORDPRESS, HTML/HTML5, CSS.

Objectives

I am seeking employment with a company where I can use my talents and skills to grow and expand the company. I want to succeed in a stimulating and challenging environment, building the success of the company while I experience advancement opportunities.
